A tour if time permitted to Sillustani will give you a better view into the life of pre - Inca civilizations, and exploring the area you can marvel with the great beauty of the Umayo Lagoon, which is located at the foot of Sillustani natural platform.

then we go on to **Llachon** is the name of a pretty rural village located in the peninsula of Capachica, 75 Kilometers (**46 miles**) away from the city of Puno. It takes a 1 hour and twenty minutes' drive to reach LLachon by road or 2 hours boat ride from Puno. This peninsula offers fantastic views of the Lake and short hikes to surrounding hills with beautiful lookout points and ancestral ceremonial centers. About 1,300 inhabitants spread out the peninsula and they belong to the ethnic group of Quechuas. They are mainly farmers, fishermen and artisans. Since the community members of Llachon have commercial ties with the populations of Amantani and Taquile islands, they have realized that tourism could be an important activity to promote much needed development in their community. Since year 2000, this community has intensively been working on improving their houses, building community restaurants and other infrastructure
